## Stay up to date with your Microsoft certifications

We've designed this catalogue to make it easier for you to stay on top of your Microsoft certifications.

Are you wondering what Microsoft certifications are available now and which ones are retiring soon? Do you want a clear view on which combination of certifications count for your competency, or would you like to check how long your team's certifications are valid for?

This catalogue has all the information you need on current upcoming and retiring certification exams for Microsoft Business Applications.

It has been put together by [365 Talent Portal](#), a Microsoft Learning Partner and career portal specialized in Microsoft Business Applications.

## Certification exam prep materials

We've also included links to training resources you can use to prepare for your certification exams.

## Microsoft Learn

A lot of the information in this catalogue is taken from (and links back to) [Microsoft Learn](#), which is the official Microsoft platform for Microsoft training and certifications.
